Creditor: Conway Hospital, Inc. 300 Singleton Ridge Rd. Conway, SC 29526

Debtor: Lehman Brothers Special Financing Inc. (Case 08-13888)

ADDENDUM I TO CREDITOR'S PROOF OF CLAIM

Creditor, Conway Hospital, Inc., appears in Debtor's Schedule G and is designated as "Schedule # 888011260".

Creditor cannot locate the Proof of Claim (if any) which may have been mailed to it in this case, and therefore Creditor does not know its "unique identification number" and is uncertain whether it has such a unique identification number in this case.

This Proof of Claim is based on a Securities Contract dated as of June 8, 1998, among Creditor, The Bank of New York Mellon Trust Company N.A. (f/k/a The Bank of New York) as Trustee, and Debtor. A copy of the operative documents are attached to this Proof of Claim as described below.

Creditor asserts that the contract at issue in this Proof of Claim constitutes a "Securities Contract" (as such term is defined in the Section 741(7) of the Bankruptcy Code). However and solely out of abundance of caution, in the event that the Securities Contract were to be deemed a "Derivatives Contract" as such term is defined in the Court's Notice of Deadlines for Filing Proofs of Claim filed in the jointly administered cases and dated July 8, 2009, then as a precaution only (and with no intent to have this claim classified as arising from a Derivatives Contract instead of a Securities Contract):

- 1. Creditor, as a precaution only, has checked the "Derivative Contract" Box in Part 1 of the Proof of Claim only in the event that it is determined that its claim should be classified as being based on a Derivative Claim in this case.
- 2. Creditor, as a precaution only, on April 17, 2012, completed the "Derivative Questionnaire" and uploaded the relevant documents thereto on the website www.lehman-claims.com. A hard copy of that questionnaire as submitted on that website, together with copies of all the uploaded documents submitted on that website, is attached to this Proof of Claim.

Greenville: 842623 v.2 Page 1 of 1

Other matters relevant to Creditor's Proof of Claim attached:

- A. Pursuant to 11 U.S.C 562(a), the damages set forth in a claim of a creditor arising under a Securities Contract (or a Swap Contract, Forward Contract or other financial instrument listed in that statute) are determined as of the earlier of the date of (a) rejection or (b) liquidation, termination or acceleration of the contract.
- B. Pursuant to 11 U.S.C. 562(a): (1) the damages in Creditor's attached Proof of Claim have been determined (and submitted to this Court as Addendum II hereto) as of the Effective Date in this case (March 6, 2012), which is the date the Creditor's subject Security Contract with Debtor is deemed to have been rejected in this case; (2) the petition date is not applicable to the date of determination of Creditor's damages in this case.
- C. A copy of the operating Securities Contract is submitted to this Court as Addendum III hereto.
- D. A copy of the Account Statement of the Trustee for the period 07/01/2008 through 07/31/2008 (and submitted to this Court as <u>Addendum IV</u> hereto), reflecting that the last securities delivered by Debtor under the Securities Contract was July 1, 2008. Debtor's obligations under the Securities Contract, however, call for Debtor's delivery of securities thereunder through and including July 1, 2028, and Debtor's failure to deliver under the required period constitutes a default under the Securities Agreement resulting in economic and other damages included within this Proof of Claim.
- E. In regard to the above damages, Creditor notes that it attempted to terminate the subject Securities Contract by sending a post-petition Notice of Termination (submitted to this Court for purposes of open disclosure as Addendum V hereto) on November 18, 2012. However, Creditor is informed and believes that such termination was ineffective under the Bankruptcy Code and also under the *Metavante* decision of this Court. Therefore, this Proof of Claim has been determined and submitted under the assumption that the subject Securities Contract was not terminated by the above notice and that it was an unrejected executory contract existing in this case as of March 6, 2012, and, as such, has been deemed rejected as of March 6, 2012.

- (b) (i) The Qualified Dealer shall give the Trustee at least two Business Days prior notice of the sale of any Eligible Securities hereunder. Any such notice shall be in substantially the form of the Sale Notice.
- (ii) Concurrently with the sale of such Eligible Securities, unless otherwise directed by Lehman in writing, the Trustee shall, subject to clause (iii) below, pay the Qualified

Dealer selling such Eligible Securities in its individual capacity the Market Value thereof, and to the Qualified Dealer as agent for Lehman, the Differential, if any.

- (iii) Lehman may, by giving the Trustee two Business Days prior written notice substantially in the form of the Sale Notice direct the Trustee to pay to the Qualified Dealer the Market Value of any Eligible Securities sold to the Trustee hereunder and to pay the Differential, if any, directly to Lehman. Any such payment to Lehman shall be to Lehman's account as set forth in the Sale Notice. The Trustee may conclusively rely on the specification by the Qualified Dealer of the Market Value and the Maturity Amount of an Eligible Security.
- (iv) All payments of the Purchase Price to be made hereunder (either to Lehman or the Qualified Dealer) shall be made in immediately available funds from the Debt Service Reserve Fund.
- (v) Lehman agrees and acknowledges that neither it nor any Qualified Dealer has any right, title or interest in or to any securities, cash, or other property held in the Debt Service Reserve Fund or by the Trustee, including without limitation, the Eligible Securities. The Trustee, the Borrower, and Lehman understand and expect that the purchase prices for the Eligible Securities may be different than the market prices for such securities at the time of the purchase by the Trustee and the fact that Lehman is bearing the risk of changes in interest rates.
- Section 2.3 <u>Direction by Borrower to Trustee</u>. The Borrower hereby irrevocably instructs the Trustee to enter into this Agreement and to take the actions required of the Trustee hereunder, and the Trustee agrees to take the actions required of it hereunder, including but not limited to making the purchases required by this Agreement.
- Section 2.4 <u>Borrower and Trustee Cooperation</u>. (a) The Trustee shall not (i) act in contravention of its obligations hereunder or under the Indenture, (ii) invest moneys held in the Debt Service Reserve Fund other than in Eligible Securities pursuant to this Agreement, or (iii) hold uninvested amounts required hereunder to be used to purchase Eligible Securities.
- (b) The Borrower and the Trustee agree that neither of them shall, without Lehman's written consent, amend or consent to the amendment any of the Financing Documents to which it is a party, or exercise any right or option under the Financing Documents to which it is a party or do or undertake any act pursuant thereto, including any sale, redemption, substitution or reinvestment of any investment held in the Debt Service Reserve Fund or reinvestment or distribution therefrom of amounts received in respect of any such investment, whether cash or investments held therein, which would qualify, impede or otherwise affect the ability of the Trustee to perform its duties hereunder or would impair the rights or interests of Lehman under this Agreement.

DECREASE IN RESERVE REQUIREMENT; REFUNDING SECTION III.

- Decrease in Reserve Requirements; Refunding. (a) In the event the Section 3.1 amount of the Reserve Requirement is decreased from the amounts listed on Exhibit E at the dates listed on Exhibit E, the Borrower shall notify Lehman of such decrease. Following such decrease, Lehman shall have the right to demand payment of damages by written notice to the Borrower, which the Borrower agrees to pay, as liquidated damages and not as a penalty, of an amount equal to the total amount required, determined as of the date of demand for such payment by Lehman in good faith to preserve for Lehman the economic equivalent of its right to sell Eligible Securities to the Trustee under this Agreement, assuming the Reserve Requirement had not decreased, through the termination date described in Section 7.5 hereof and otherwise to compensate Lehman for any losses and costs (including loss of bargain and costs of funding and any amount payable by Lehman to any dealer) that Lehman may incur as a result of the decrease in the Reserve Requirement; provided that, if the Reserve Requirement decreased because of a refunding of the obligations issued under the Indenture, the Borrower, subject to the conditions of Section 3.1(b) below, may apply this Agreement to the debt service reserve fund for the refunding obligations and, if the conditions of Section 3.1(b) below are satisfied, the Borrower shall not owe the damages described in this Section 3.1(a).
- The Borrower may apply this Agreement to the reserve fund for the refunding obligations as described in Section 3.1(a) above upon fifteen (15) Business Days written notice to Lehman, and Lehman shall agree to such application provided the following conditions are satisfied:
 - the rating on the refunding obligations equals or exceeds the then existing rating on the obligations secured by the Debt Service Reserve Fund;
 - the security and source of payment for the refunding obligations is substantially the same as the security and source of payment for the obligations secured by the Debt Service Reserve Fund;
 - in the event the right of Lehman to sell Eligible Securities to the reserve fund for the refunding obligations has a value which is less than the right of Lehman to sell Eligible Securities hereunder (absent the refunding), that the Borrower pays to Lehman the difference in the value of such rights, and
 - Lehman receives such other documentation, opinions or assurances as it may reasonably request to preserve its rights and interests under this Agreement.

If the subsections (i) through (iv) above are not satisfied with respect to the refunding obligations, Lehman may terminate this Agreement by giving notice thereof to the Borrower with a copy to the Trustee, and receive from or pay to the Borrower the Termination Amount. As used herein, "Termination Amount" means an amount, as determined by Lehman reasonably and in good faith on the basis of the arithmetic mean of quotations from at least three leading dealers in the relevant markets ("Dealers"), of the amount, if any, that each such Dealer would

06/08/98 2:17PM; Jetfax #568; Page 3/6

require Lehman to pay to or receive from the Dealer in consideration of such Dealer entering into an agreement with Lehman which would have the effect of preserving for Lehman the economic equivalent of its rights under this Agreement commencing on the termination date of this Agreement; provided, however, that:

- (i) if more than three quotations are provided, the Termination Amount will be the arithmetic mean of such quotations, without regard to the quotations having the highest and lowest values,
- (ii) if exactly three quotations are provided, the Termination Amount will be the quotation remaining after disregarding the highest and lowest quotations,

for purposes of clauses (i) and (ii), if more than one quotation has the same highest value or lowest value, then one of such quotations shall be disregarded, and

(iii) if Lehman is unable to obtain three such quotations, the Termination Amount shall be the amount, as reasonably determined in good faith by Lehman, to be its total gains or losses and costs in connection with a termination of this Agreement, including any gain or loss of bargain, cost of funding or, at the election of Lehman but without duplication, any gain or loss or cost incurred as a result of its terminating, liquidating, obtaining or reestablishing any hedge or related trading position, and

provided further, however, that in any event the Termination Amount shall also include reasonable losses and costs in respect of any payment required to have been made (assuming satisfaction of each applicable condition precedent) on or before the date on which this Agreement shall be terminated or deemed terminated as provided herein and not made. Any determination of the Termination Amount by Lehman shall be conclusive and binding on the parties hereto absent manifest error.

SECTION IV. REPRESENTATIONS AND WARRANTIES

- Section 4.1 <u>Representations and Warranties</u>. Each party hereto represents and warrants to the other party hereto that:
- (a) this Agreement has been duly authorized, executed and delivered by it and, assuming the due authorization, execution and delivery hereof by the other parties hereto, constitutes a legal, valid and binding obligation of it enforceable against it in accordance with the terms hereof, subject to applicable bankruptcy, insolvency and similar laws affecting creditors' rights generally, and subject, as to enforceability, to general principles of equity regardless of whether enforcement is sought in a proceeding in equity or at law;
- (b) its execution and delivery of this Agreement and its performance of its obligations hereunder do not and will not conflict with or constitute or result in a default under, a breach or violation of, or the creation of any lien or encumbrance on any of its property under, its charter or

by-laws, (or, in the case of the Borrower and the Trustee, the Financing Documents to which it is a party), or any other agreement, instrument, judgment, injunction or order applicable to it or any of its property;

- there is no proceeding pending or, to the best of its knowledge, threatened against it at law or in equity, or before any governmental instrumentality or in any arbitration, which would materially impair its ability to perform its obligations under this Agreement, and there is no such proceeding pending against it which purports or is likely to affect the legality, validity or enforceability of the Agreement;
- (d) in the case of the Borrower, each of the Financing Documents to which it is a party is a legal, valid and binding obligation of the Borrower, enforceable against it in accordance with the terms thereof, subject to applicable bankruptcy, insolvency and similar laws affecting creditors' rights generally, and subject, as to enforceability, to general principles of equity (regardless of whether enforcement is sought in a proceeding in equity or at law);
- in the case of the Borrower, no "event of default" or event which would with the passage of time or the giving of notice constitute an event of default has occurred and is continuing under the Financing Documents;
- (f) in the case of the Borrower, it is the owner and holder of all rights granted to or obtained by it under the Financing Documents, including the reinvestment rights contained therein, and there are no liens, claims or charges against the Borrower's interest in the reinvestment rights to the securities held in the Debt Service Reserve Fund other than any liens, claims or charges created by the Financing Documents;
- in the case of the Borrower, the Bond Payment Dates and Reserve Requirement listed on Exhibit E are identical to the Bond Payment Dates and Reserve Requirement established under the Financing Documents.
- in the case of the Borrower (i) it is not entitled to claim, and shall not assert any claim, with respect to itself or its revenues, assets or property (irrespective of the use or intended use thereof), of immunity on the grounds of sovereignty or similar grounds from suit, jurisdiction of any court, relief by way of injunction, order for specific performance or for recovery of property, attachment of its assets (whether before or after judgment, in aid of execution, or otherwise) and execution or enforcement of any judgment to which it or its revenues or assets or property might otherwise be entitled in any suit, action or proceeding relating to this Agreement in the courts of any jurisdiction, nor may there be attributed to the Borrower or its revenues, assets or property any such immunity (nor shall such attribution be claimed by the Borrower), and (ii) the Borrower has entered into this Agreement for purposes of managing its borrowings or investments by increasing the predictability of its cash flow from earnings on its investments and not for purposes of speculation.

SECTION V. CONDITIONS PRECEDENT

- Conditions Precedent The performance of the obligations of the Trustee and Lehman hereunder are conditioned upon the occurrence of the following:
- delivery to the Trustee, the Bond Insurer and the Borrower of an opinion of counsel to Lehman, in the form of Exhibit A; and

SECTION VI **DEFAULTS; TERMINATION**

- Events of Default. The occurrence of any of the following events shall Section 6.1 constitute an Event of Default hereunder:

- the Trustee or the Borrower shall default in the performance of any its respective obligations or agreements under this Agreement, other than as described in clause (a) above;

Interest shall accrue at a rate per annum equal to the Default Rate.
- Section 6.3 Remedies of Borrower. Upon the occurrence of an Event of Default described in Section 6.1(d) or (e), the Borrower shall have the right, with the consent of the Bond Insurer, and shall, at the direction of the Bond Insurer:

As mentioned above, the claim of Creditor Conway Hospital, Inc. is based on a securities contract. However and solely out of abundance of caution, in the event that that it is determined that its claim should be classified as being based on a Derivative Claim in this case, then for such purpose this Creditor is completing this Questionnaire and submitting this and other documentation as contemplated by this Questionnaire. Pursuant to 11 U.S.C 562(a), the damages set forth in a claim of a creditor arising under a Securities Contract (or a Swap Contract, Forward Contract or other financial instrument listed in that statute) are determined as of the earlier of the date of (a) rejection or (b) liquidation, termination or acceleration of the contract. For purposes of this Questionnaire and Creditor's related Proof of Claim, the above securities contract is deemed to have been rejected by Debtor as of the Effective Date in this case (March 6, 2012) inasmuch as Creditor contends the subject contract was an unrejected executory contract prior to such Effective Date. See Creditor's Proof of Claim Addendum I for further discussion of this topic as well as information regarding an attempted termination prior to the Effective Date, which this Creditor asserts as ineffective.
